Forecast For Northern Ireland
Issued by Met Office Aberdeen
at 1600 on Wednesday 14 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Dry, bright and warm on Thursday.

This Evening and Tonight:
Some brightness in the east at first this evening. It will become cloudy and misty with the odd patch of drizzle. A very mild, muggy night with a light northwesterly wind. Minimum temperature 14 deg C (57 deg F).

Thursday:
Any overnight low cloud burning burning off in the morning. Otherwise a dry day with plenty sunshine in the afternoon. Feeling warm, locally very warm, in the east. Maximum temperature 25 deg C (77 deg F).

Outlook for Friday to Sunday:
Mostly dry, settled weather continuing on Friday and over the weekend with plenty of warm sunshine. Some patches of mist and low cloud, lingering at times, especially in coastal areas.
